Dear Mr Gardner

There have been no works carried out prior to this application.

The large amount of rubble I believe is from the rear landscaping and side.

Also the removal of internal non load bearing walls. To the side and rear there was a concrete driveway which has been dug up.

Dear Mr Barrow,

Having been to the site it appears there have been a number of works carried out on the site with large amounts of rubble visible from the entrance. I am just emailing to ask the extent of the works that have been carried out prior to the application. Any information that you can give me will be greatly appreciated. I have attached a photograph of the site showing the rubble to the front and some of the patch work on the walls.

I look forward to hearing from you.

Kind regards,

Finlay Gardner
