Planning application reference code
P/97/15/PC

Dear Sir/Madam,

We would like to register our very strong support for the above referenced planning application at Pagham.

The destruction of the beach at Pagham due to the ever growing church Norton spit has been absolutely heart breaking. The community and livelihoods are threatened. The spit should never have been allowed to grow since management of the harbour entrance was stopped in 2004.

The Church Norton spit must be cut as per planning application as soon as possible - before homes are lost.

Thank you
