- ① TO CUT THROUGH THE SPIT IS THE ONLY LOGIC THING TO DO AND SOLVE THE PROBLEM ONCE AND FOR ALL. THE COST OF THIS IS A ONE OFF AND CHEAPER IN THE LONG RUN AGAINST ON GOING 'REPAIRS' THAT ARE ONLY 'PATCHING' UP AND NOT LASTING. THE DIGGERS ARE DOING A LOT OF DAMAGE TO THE REST OF THE BEACH CONSTANTLY DRIVING UP AND DOWN IT. THIS AREA HAS A SSSI BUT DOES NOT LOOK LIKE IT AT THE MOMENT!

THERE IS A LOT OF HISTORY HERE TOO, ALL OF WHICH COULD BE LOST IF CLAIMED BY THE SEA. ALSO THESE ARE OUR HOMES, WE ALL LIVE IN FEAR OF LOSING THEM.

THE SPIT HAS GROWN OVER THE MOUTH OF THE HARBOUR, TO SIMPLY CUT THROUGH AND RE-OPEN WHERE THE WATER ALWAYS USED TO GO WOULD SAVE EVERYTHING.

OTHER VILLAGES ARE AT RISK OF DAMAGE TOO, NOT JUST PUGHAM, IT HAS A KNOCK ON EFFECT.

PLANNING APPLICATION PAGHAM HARBOUR
MANAGED BREACH OF THE SPIT.

I SUPPORT THE PLANNING APPLICATION
FOR THE FOLLOWING REASONS

OTHER COST OF PROPPING UP THE BEACH AND HOLDING BACK THE WATER IS NOT A LONG TERM SOLUTION, IT IS COSTLY & TEMPORARY. ONLY CUTTING OF THE SPIT WILL SOLVE THE PROBLEM.

④ OUR POOR BEACH WAS SO PRETTY WHEN WE CAME HERE. FULL OF FLOWERS AND A JOY TO SEE, IT IS NOW LIKE A BUILDING SITE, THIS BEACH NEEDS TO GET BACK TO THE ORIGINAL (SSSI) STATUS.

⑤ THE RESIDENTS LIVE IN FEAR OF THEIR HOMES BEING FLOODED OR WORSE STILL THE SEA TAKING THEM, TO SAY NOTHING OF COSTLY

HOME INSURANCE

④ WE NEED TO SAFEGUARD THE WILDLIFE AND WE HAVE TAKEN THIS INTO CONSIDERATION, IN ALL OUR DECISIONS.

⑤ AS RESIDENTS WE HAVE DONE EVERYTHING POSSIBLE TO RAISE FUNDS, GIVEN OUR TIME TO SUPPORT THE CUTTING OF THE SPIT.

⑥ IT IS NOT EASY LIVING HERE WITH 'THE BIG DIGGERS' THUNDERING PAST OUR HOUSE, WE ARE GETTING STRUCTURAL DAMAGE AND HAVE HAD TO HAVE THE SURVEYOR OUT FROM AD COUNCIL TO DO AN ASSESSMENT ON OUR HOUSE.

⑦ MY HEALTH IS NOT GOOD, AND AT A LATER DATE, IF NEEDED TO GO INTO A HOME, I WOULD NOT BE ABLE TO

SELL, TO FINANCE MYSELF. I
KNOW OF OTHER RESIDENTS IN
THIS POSITION.
