Dear Mike,

We will withhold our planning permission until this matter has been fully considered by the Secretary of State (SoS) and therefore we accept your request for an extension of the SoS's consideration period.

Kind Regards

Hello both,

As you know, the Secretary of State's consideration period is due to end on Tuesday 20th June. It will not be possible to complete his consideration within this timeframe. However, I have an agreement for the process from here on and am confident it will be possible to complete this relatively quickly, estimating this should be possible in around two weeks. Would it be possible to have an informal agreement from you both that your authorities will not issue the planning permissions until the Secretary of State decision is known. If I thought it would be a long period from here I would use a formal holding direction, but this is more appropriate in the circumstances and save time to the process. If for any unexpected reason the situation changes and a longer timeframe and formal holding direction become necessary, I will let you know. Grateful for written confirmation from you both that this arrangement is acceptable by Monday please. Happy to discuss as well.

Regards,

Mike
