Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: P/97/20/PL
Site Address: Land To North Of Summer Lane Pagham PO21 4NG
Description of works: Residential development of 36 No. dwellings (net increase of 15 over current consent P/70/19/RES) including affordable housing (additional 5 units) with associated access, parking & landscaping. This site is in CIL Zone 1 & 4 & is CIL Liable as new dwellings.

Thank you for your internet representation made on 20th October 2020 which has been recorded as an objection with the comments as follows:

OWPC30558

This is unbelievable and trying to fit a quart in a pint pot. The density on this site was already at its limit considering its location and access routes. The traffic resulting from this and all the other developments in the area will swamp the roads,! There should be another complete area traffic assessment made. The assumption that there is local work for all these people is unfounded, they will all commute on the overloaded Pagham road heading for Chichester And the A27. This contractor has not engaged with anyone locally with this increase in density.

Your views as made above will be considered before the application is determined.
