I see you have raised no objection to the expansion of the development. Have you ever made a site visit to Summer Lane?

The reason you given behind your decision is frankly pathetic, only 8 more traffic movements at peak times from 30 plus cars. Mothers will have to drive children to schools because Rose Green School is full as the parish council reported and people go to work.

When the lane is completely blocked up in the coming months and years and accidents which will occur, myself and the other residents of Summer Lane will hold you personally responsible.

Simon please put this on the planning portal.

Thanks Len
