Application Correspondence "Request for Odour Assessment"

Subject: P/97/20/PL- Summer Lane

Dear Daniel,

Please see attached response of Southern Water which raises concerns over proximity of the new homes to the Pagham WWTW and the potential for odour issues. They ask that you provide a Odour Assessment. I appreciate this issue was not raised previously and that therefore a precedent has been set. However, as this is likely to go to Committee Meeting and therefore subject to additional scrutiny by members, you may wish to assist us by providing such an assessment.

Kind Regards
