Simon

I have just noted your e mail to the agent dated 5 February 2021 and consider it appropriate to remind you that all development currently taking place on the site is unauthorised and represents a breach of planning control which is the subject of a complaint to the LGO and legal advice is being sought with a view to legal action on that regard as well. Furthermore it has been brought to your attention that ADC is proceeding with the consideration of this application in a manner that if approved as you intend to recommend will give rise to a legally challengeable decision.

Please place this note on your file for future reference as necessary.

Thank you
Paul Collins BA (Hons) DipTP
