**STATEMENT IN SUPPORT OF AN APPLICATION FOR RENEWAL OF A
TEMPORARY PLANNING PERMISSION FOR THE SITING,
INSTALLATION AND USE OF THE RELOCATABLE UNIT AT GEORGIAN
GARDENS PRIMARY SCHOOL, 1 GUILDFORD RD, RUSTINGTON,
LITTLEHAMPTON, WEST SUSSEX BN16 3JJ**

1. Proposal

A maximum temporary planning permission period of 5 years is sought for the siting and school use of this relocatable unit. This is a temporary relocatable unit comprising three general teaching class-bases with associated space for storage and circulation.

2. Education Background

The relocatable unit (E1004) was installed on site due to the rapid rise of pupil numbers and the need for further space for general teaching. The Education Policy at this time addressed the immediate need to provide "roofs over heads" by the provision of relocatable classrooms. Relocatable units are no longer installed at any West Sussex maintained school if there is a permanent need for additional accommodation. Occasionally, relocatable units may be installed to address a short-term need whilst permanent construction is being undertaken or if there is a fluctuating pupil roll over a short period of time.

3. Justification

The relocatable unit is required to remain on this site to continue to provide the teaching space necessary to deliver the national curriculum.

4. Associated Works

This application is for renewal only and therefore there are no associated works required.

5. Contacts

Should you require any further assistance in respect of the content of this supporting statement submission please contact the appropriate officer.
