4. Description of the Proposal

Please describe the proposed single-storey rear extension.

The property is a bungalow built in the mid 1960s.. We wish to build a flat roof extension of 6 metres wide by 4.3 metres deep, matching the bricks as closely as possible. We wish to install a 4.8 metre white powder coated aluminium bi-fold door (4 x 1.2 metres) and a white powder coated aluminium lantern roof light measuring 3 x 2 metres. There will also be 2 x 600mm wide x 2.1 metre high tilt windows for ventilation in each side.

We enclose the scale drawing of the back of the bungalow showing the extension and dimensions. We also enclose a scale drawing of the plan view, again showing the extension. This also shows the size of the garden. We also attach a photograph of the back of the bungalow at present.

After discussing this application with Ross Leal, Senior Planning Officer, he advised me which neighbours to contact and they had no objections on discussion with them.
