Morning Julie,

Yes we provided a certificate b yesterday as we are creating a new access across the verge to the property. Therefore, we had to serve notice on the estate management.

I can confirm that the client owns the building plot

Many Thanks

Kind Regards

Oliver

Dear Mr McGowan,

I am currently creating a CIL record for the above address and note that on the file you have signed certificate A but there is also a Certificate B. I'm not sure if that has been uploaded against the wrong application as there are no emails/notes. Can you confirm that the applicant is the landowner?

Thanks,
Julie
