Good morning

Your CIL Liable application is due to expire shortly (26/8/23). Having checked the application, I can see that I have not received a Form 6 Commencement Notice.

Please can you confirm whether works have commenced or not. If you proposed to commence works soon, please forward completed forms accordingly. Details of these can be found on your Liability Notice previously sent.

Failure for not submitting a commencement notice and/or Form 2 Assumption of Liability before commencing works will result in surcharges and the instalment policy being unavailable.

If you do not intend to commence works and will be letting the permission expire, I can update the file accordingly. Please confirm.

As we do not have an email for the applicant, please can you pass this on?

I look forward to hearing from you.

Kind regards,

Julie Grieves,

Senior CIL Officer, Planning
