Dear Mr Denton

On behalf of Mr & Mrs Williams as applicants for the above application, I would ask that the attached schedule of materials be considered as part of your assessment of the above application. The applicants are copied to this email and have asked that I submit these details on their behalf.

It is felt the materials chosen will complement the overall scheme. If found to be acceptable, we would ask that any subsequent planning permission granted requires the development to be carried out in accordance with the attached materials schedule. This would therefore avoid a further condition requiring the submission of details.

I would also be grateful if you could provide an update on the application.

Kind regards,
Peter
