Dear Mrs Gardener

R/105/15/PL

I have just been informed that the Marina building in Braodmark Lane / Seafeld Road are seeking permission to park their vehicles out in their garden. I want to object to this *very strongly* as I have recently bought my flat particularly for the sea view, and this would dramatically be spoilt by the vehicles. I would also like to point out that this action will also devalue my property. *I am not at all happy about this proposal.*

I would be grateful if you could contact me, so we can discuss it.

Yours sincerely
