Mrs A Gardner

26th May 2015

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

New area of interlocking grass-block system to North-East to provide for relocation of minibus parking (partial resubmission following R/307/14/PL).

Princess Marina House 61 Seafield Road Rustington

Thank you for your internet representation made on 26th May 2015 which has been recorded as '**an objection**' with the comments as follows:

I would like to object in the strongest terms to this proposal. It will totally change the local scene and environment. The frequent visitors to the beach will be distracted by the vehicles and so not enjoy the unique, beautiful, natural area. For years the vehicles have caused no problems where they are parked and the Marina would not benefit much. If it was to be constructed, this would create upset to the environment and locals.

Another major reason not to allow this proposal is that it is opposite the Heritage Place flats where many have invested in their property to retire and enjoy the sea views. This would be ruined.

In the interest of the local area and residents, Princess Marina House need to seriously think about what affect it will have on the area and it's residents and find an alternative to their parking. There will be other ways of doing

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be

automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Karl Roberts
Director Planning & Economic Regeneration
