I really cannot believe anyone is even considering this application!
The issue of traffic along Shaftesbury Road is ongoing, and parking is a total and utter nightmare. The entire village and surroundings are becoming suffocated with building, but without any consideration for the infrastructure. Schools, doctors surgeries are all on overload, and this will be exacerbated even more. I struggle to think how the parking of so many more cars can possibly be accommodated in this already narrow and over subscribed road. IF the emergency services needed to access this road in the evenings or weekend it would be a disaster. I am totally surprised how an accident has not happened. the road need needs to be made one way, and definitely not have any more dwelling, with equals so many more cars added to it.

Your views as made above will be considered before the application is determined.
