Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: R/108/21/PL
Site Address: 117 Sea Lane Rustington BN16 2RU
Description of works: Demolition of two dwellings and the construction of 3 No. 3-bed town houses and 7 flats. This site is in CIL Zone 4 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 4th June 2021 which has been recorded as an objection with the comments as follows:

OWPC37117

There is already a lack of on street parking and vehicles find it difficult to turn into and out of Shaftesbury Rd. There are insufficient parking spaces proposed and access in and out of the new buildings near a busy junction on a road used as a "rat run" would be a safety issue.

The design is out of keeping with the area and would be an over development of the site with loss of wildlife habitat and loss of open views for neighbouring properties.

The proposed height is unsuitable and the design unattractive and out of keeping with other nearby buildings. There are no other flat roof buildings nearby.

The town houses further down Shaftesbury Road were designed with 2 parking spaces and most have already converted garages to living space. If residents of the proposed townhouses did the same it would make the parking situation even worse than it already is.

Your views as made above will be considered before the application is determined.
