OWPC37132

The amount of extra traffic this will generate. The parking around this area is bad enough as it is. Living opposite it's bad enough trying to get out my driveway as it is. With the extra properties opposite would feel need traffic lights to exit my driveway. The loss of the trees in the garden opposite. We should've encouraging green spaces in the reduction of greenhouse gasses. This is most definitely not in keeping with the other properties in the area. The extra noise thus will generate will be extremely bad especially as I do shift work
