Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: R/108/21/PL
Site Address: 117 Sea Lane Rustington BN16 2RU
Description of works: Demolition of two dwellings and the construction of 3 No. 3-bed town houses and 7 flats. This site is in CIL Zone 4 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 7th June 2021 which has been recorded as an objection with the comments as follows:

OWPC37137

The majority of properties along Shaftesbury Road are constructed with two floors. The planned development does not therefore reflect its surrounding neighbourhood, as the proposed houses have three floors - and the flats four. Due to the narrowness of that particular road, as well as its pavements, the proposed development presents concerning privacy issues for properties opposite the North Street Elevation. Additionally, such a substantial increase in dwellings will compound difficulties already encountered with traffic flow in Shaftesbury Road - not just with private cars but also service and emergency vehicles.

Your views as made above will be considered before the application is determined.

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.
