Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: R/108/21/PL
Site Address: 117 Sea Lane Rustington BN16 2RU
Description of works: Demolition of two dwellings and the construction of 3 No. 3-bed town houses and 7 flats. This site is in CIL Zone 4 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 7th June 2021 which has been recorded as an objection with the comments as follows:

OWPC37162

We strongly object to what is being proposed with these plans on the following reasons.

What is being proposed is not in keeping with the existing street scene, will look out of place and will dominate the area.

There will be an increase in the traffic in local area, which will negatively impact on the already limited parking available for current residents. The parking that has been proposed in the new developments is woefully inadequate for the residents and therefore make on street parking spaces even more scarce for residents. All of these elements will reduce safety in the area due to increased vehicular activity.

In Addition, the resultant traffic created by the new development will greatly increase the noise and pollution levels already present, along with a loss of light due to the height of the proposed development which will also be an invasion of privacy for the existing residents.

As a joint owner of a property right next to the proposed development, we are surprised we did not receive written notification of this submission.

Your views as made above will be considered before the application is determined.
