Dear Sir/Madam,

**Town & Country Planning Act 1990 (as amended)**  
**Town and Country Planning (Development Management Procedure) (England) Order 2015**

Application No: R/108/21/PL  
Site Address: 117 Sea Lane Rustington BN16 2RU  
Description of works: Demolition of two dwellings and the construction of 3 No. 3-bed town houses and 7 flats. This site is in CIL Zone 4 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 9th June 2021 which has been recorded as an objection with the comments as follows:

OWPC37303

This is a monstrosity of a proposed building totally out of keeping with all the local surrounding properties. The site is at a very dangerous corner entering to and from Sea Lane which is already very congested for most of the daylight hours.

Shaftesbury Road is a narrow road and because of the lack of parking facilities in the area, is always difficult to navigate and almost impossible for lorries or emergency vehicles to access due to roadside parking.

The height of the townhouses would seriously restrict daylight to the bungalows at the rear of the development (south aspect). This would also affect the privacy of the residents as the high windows would overlook rooms in the bungalows.

I understand that, as most of the existing property has been unoccupied for some time, the area has been a habitat for a number of wildlife species.

Your views as made above will be considered before the application is determined.
