Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: R/108/21/PL
Site Address: 117 Sea Lane Rustington BN16 2RU
Description of works: Demolition of two dwellings and the construction of 3 No. 3-bed town houses and 5 flats. This site is in CIL Zone 4 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 9th November 2021 which has been recorded as an objection with the comments as follows:

OWPC41748

The revised plans still take no account of the additional pressure this proposal will put on roads. Parking is already severely restricted in the area and the entry into the road at this end is also severely restricted. The building of these properties is an accident waiting to happen, particularly given the numbers of elderly people and a home with large numbers of disabled clients using sea lane to access the beach and inevitably having to cross Shaftesbury Road.

Secondly the number of properties is still far too large for the plot and out of keeping with the other properties in this part of Rustington. As such they should not be considered as suitable development.

Your views as made above will be considered before the application is determined.
