Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: R/108/21/PL
Site Address: 117 Sea Lane Rustington BN16 2RU
Description of works: Demolition of two dwellings and the construction of 3 No. 3-bed town houses and 5 flats. This site is in CIL Zone 4 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 14th November 2021 which has been recorded as an objection with the comments as follows:

OWPC41879

I already have objected to these plans the first time. I am not so concerned with the property's being built, but with the amount of traffic they are going to generate when people move in. Shaftesbury road is not a wide road and we suffer with enough problems as it is. Parking is the biggest one. It is also used as a cut through, so a very over USED road. The new development DOES NOT provide enough parking spaces, and turning in and out of shaftesbury road at sea lane junction can be very hazardous. Ideally shaftesbury road SHOULD be made one way. It would ease parking and make the road a lot safer.

Your views as made above will be considered before the application is determined.
