Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: R/108/21/PL
Site Address: 117 Sea Lane Rustington BN16 2RU
Description of works: Demolition of two dwellings and the construction of 3 No. 3-bed town houses and 5 flats. This site is in CIL Zone 4 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 17th November 2021 which has been recorded as an objection with the comments as follows:

OWPC41974

Whilst of course there is a great need for new housing I believe that this proposed new development would contribute to an already existing problem with regard to parking in Shaftesbury Road and Sea lane. Every day at certain times it is already so congested in Shaftesbury Road that it could cause problems for the emergency services and larger lorries and, as we are only too well aware, it is also a rat run between and Sea Lane and Broadmark. I've also noticed that there has been quite an increase of parking on the east side of Sea Lane which makes it very difficult for vehicles exiting Shaftesbury Road. My objection along with many other residents is that this proposed new development does not have sufficient parking for the residents of this proposed development as some will inevitably have two cars, as well as needing occasional visitor parking. Also there is far too much building on such a small site.
