Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: R/108/21/PL
Site Address: 117 Sea Lane Rustington BN16 2RU
Description of works: Demolition of two dwellings and the construction of 3 No. 3-bed town houses and 5 flats. This site is in CIL Zone 4 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 18th November 2021 which has been recorded as an objection with the comments as follows:

OWPC42010

The revised plans are still an over development of the plot and the design is not in keeping with the area. The loss of the mature planting would impact on the local wildlife. The parking issues have still not been addressed - suggesting car overflow from the flats could park on Sea Lane, a busy road on a bus route, could increase the risk of accidents. There has been an increase in parking on Sea Lane in recent months which restricts the view turning out of Shaftesbury Road and is already causing more hold ups for traffic on Sea Lane. Insufficient consideration has been given to the existing residents of Shaftesbury Road who are already often unable to park and the problem will only be made worse with a lack of sufficient parking at the flats/townhouses. The townhouses would need 2 parking spaces each to discourage the residents/visitors parking on the pavement as often happens outside the townhouses further down the road blocking pedestrian access.

Your views as made above will be considered before the application is determined.
