Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: R/108/21/PL
Site Address: 117 Sea Lane Rustington BN16 2RU
Description of works: Demolition of two dwellings and the construction of 3 No. 3-bed town houses and 5 flats. This site is in CIL Zone 4 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 25th November 2021 which has been recorded as an objection with the comments as follows:

OWPC42157

I have objected before due to the disproportion with the surrounding area, the overlook of my parents house in 115 Sea Lane: main bedroom, spare bedroom, living room and patio is heavily overlooked by this development. They bought their house for life to enjoy their retirement place forever.

On the practical aspect with the community, there's no space for parking normally on Shaftesbury Road, cars park right until the corner which make it very difficult transit on this road already, having extra 3 more houses and 5 flats is not going to make that safer that road. Sea Lane is a busy road already as well.

The disproportion of mass building changing two houses for potential 8 families living in the same space makes it awful for an area of mainly detached and semidetached homes.

Thanks for your attention to these comments.

Your views as made above will be considered before the application is determined.
