Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: R/108/21/PL
Site Address: 117 Sea Lane Rustington BN16 2RU
Description of works: Demolition of two dwellings and the construction of 3 No. 3-bed town houses and 5 flats. This site is in CIL Zone 4 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 25th November 2021 which has been recorded as an objection with the comments as follows:

OWPC42159

The WSCC Highways Response is not adequate.

A survey was done on one day only and does not make any reference to the closely located garage compound in Abbotswood Walk.

Already the exit from Abbotswood Walk is dangerous due to the density of parking in Shaftsbury Rd causing highly restricted visibility to oncoming traffic. The writer has had several "near misses". the lack of parking space now results in vehicles being parked in the garage compound and means tradesman often have difficulty in parking when providing services to residents.

Furthermore, contrary to the WSCC report there are vehicles regularly parked in Sea Lane and particularly in close proximity to the junction with Shaftsbury Rd - as a result exiting Shaftsbury Road into Sea Lane has already become hazardous on many occasions.

The proposal is objected to on grounds of road safety and inadequate availability of safe street parking.

Your views as made above will be considered before the application is determined.
