Good day Amy.

With regards the above Planning Application, I have submitted my objections.

However, I have a series of photographs of the present parking situation, regarding Shaftesbury Rd & Sea Lane, which are very necessary to back up these objections. Unfortunately, there is no way of attaching them to the 'objection' form, hence sending them to yourself.

I trust that these pics can be used, in relation to this planning application.

The pics are listed as to their location, as follows:

a / b) Shaftesbury Rd, opposite location of proposed Town House

c / d) Sea Lane, on corner, plus in front of adjacent, existing flats

e / f) Town House, Shaftesbury Place

g) Parking opposites Shaftesbury Place also showing parking in front of Dorchester House flats

I / J) Parking in front of flats almost opposite Dorchester House flats

L) View to the East, from front of Shaftesbury Place, showing the continuous parking down to the East end of Shaftesbury Rd

M) an extension of parking, Shaftesbury Rd from Pic A

N) an extension of parking, Shaftesbury Rd from Pic M

As I am unsure as to the number of pics I can attach and send, there will be 4 attached to this e mail, followed by 2 e mails, with 4 attached, plus 1 e mail with 1 attached.

Many thanks

Dave
