Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: R/108/21/PL
Site Address: 117 Sea Lane Rustington BN16 2RU
Description of works: Demolition of two dwellings and the construction of 3 No. 3-bed town houses and 5 flats. This site is in CIL Zone 4 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 8th December 2021 which has been recorded as an objection with the comments as follows:

OWPC42488

Your communication of the 9th ult. was duly received and I comment as follows.

The changes in the original Planning Application are made. it seems, on the assumption it was valid to do so despite there being a statement of your acceptance of the original application and would make a decision on the original application by a certain date which never happened

All my objections in respect of the first application apply in total to this new application

In the early part of this Century the then owner of 117 Sea Lane made a Planning Application for the erection of a single dwelling house in his front garden. It was refused on the grounds of the traffic situation at the time but today this is much more serious and applies very much

The final comment relates to the possible incorrect description of the two properties involved to this present appDATA ERROR!!!

Your views as made above will be considered before the application is determined.

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely
