R/110/26/DOC

Address: Rustington Convalescent Home Sea Road Rustington BN16 2LZ

Proposal: Approval of details reserved by condition under R/73/26/L relating to conditions 3-
Leadwork, 4- Dairy replacement slates and 5- Rainwater goods

Comments

Condition 3 – Leadwork - I have reviewed the supplied information and consider that the condition can be discharged.

Condition 4 - Dairy replacement slates - I have reviewed the supplied information and consider that the condition can be discharged.

Condition 5 - Rainwater goods – the statement identifies that the Cast iron square rainwater pipe with bracket fixings and hopper head to be replaced on like for like basis. However, the examples supplied do not appear to be a true like for like. The brackets and hoppers are not as decorative, which is disappointing as they form attractive elements of the rainwater goods. Are alternative options available?
