Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: R/111/22/HH
Site Address: 35 Hawke Close Rustington BN16 2AT
Description of works: Single storey extension to side garage including new pitched roof and installation of an air source heat pump.

Thank you for your internet representation made on 15th June 2022 which has been recorded as no objection with the comments as follows:

OWPC48202

I have no objection to the "Possible siting of Air Source Heat Pump" shown on plan 35HC-206. Which shows it installed at the front right hand side of the property.

However I would have an objection due to noise if it were proposed to be situated anywhere near our boundary (east side of number 35). Especially as this is where our bedrooms and living rooms are situated.

Your views as made above will be considered before the application is determined.

Please make sure that you have only provided information that you are happy will be published in this way. you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/planning-application-search>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely

Neil Crowther
