Dear Mr Tuson,

I hope you are well.

The plans which you have submitted for the above application are for a single storey side extension and loft conversion with 2 x side dormers. However, when looking at the plan the side extension is not shown on there and the proposed site plan shows as a proposed front extension.

Please can you clarify the proposed development as the only part of the development that is shown on the plans are the side dormers.

The side dormers both have windows, however the proposed first floor plans do not show windows on there.

Please can you confirm and send revised plans showing these changes by 5th July.

Many thanks

Zoe Toppin
