Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: R/113/21/PL
Site Address: 66 The Street Rustington BN16 3NR
Description of works: Construction of a single-storey upwards extension to provide an additional 4 No. residential units. This application affects the setting of a listed building & affects the character & appearance of the Rustington Conservation Area & is in CIL Zone 4 (Zero Rated) as flats.

Thank you for your internet representation made on 2nd June 2021 which has been recorded as an objection with the comments as follows:

OWPC36991

Please advise what consideration has been giving to the neighbouring businesses that will be dramatically effected by the noise, and access required to proceed with this build.

Please ensure you visit the site before making a decision on paper, from there you will see that access is required at all times to the rear of the shops for staff parking, deliveries and refuse collection as well as access to the retirement flats at the rear. There will be no parking for works vehicles and larger construction vehicles will find it very difficult to access the working area.

Lastly, it is ridiculous to think that 6 vehicles will park as proposed on the plans of the flats; it implies that 3 cars at the front spaces will need to move every time the rear spaces want access in and out. Common sense can see that that will not work and therefore on street and side road parking will be encouraged as a result.

Your views as made above will be considered before the application is determined.

In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.
