Subject: Planning Application No. R/113/21/PL - 66 The Street RUSTINGTON BN16 3NR

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Having studied the above planning application, I am concerned about the degree of overlooking which may occur from the proposed first floor bedroom windows into my first floor sitting room, directly opposite.

Therefore I would be most grateful if a council planning officer (or the appeal inspector) would view the proposal site from my property to assess the degree of overlooking.

Kind regards

Barbara Moody
