Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: R/113/21/PL
Site Address: 66 The Street Rustington BN16 3NR
Description of works: Construction of a single-storey upwards extension to provide an additional 4 No. residential units. This application affects the setting of a listed building & affects the character & appearance of the Rustington Conservation Area & is in CIL Zone 4 (Zero Rated) as flats.

Thank you for your internet representation made on 9th June 2021 which has been recorded as an objection with the comments as follows:

OWPC37304

I live next door at 50A The Street. The first floor if built will really affect the amount of sunlight I will receive. The only windows I have at my property face this building. The height will severely limit my light, especially in the morning.

I also have a problem with the windows that will face my house, this will be an invasion of my privacy. Hopefully obscure glass will be fitted if the application is approved. I welcome the build if it is a single story.

Your views as made above will be considered before the application is determined.

In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.
