For the attention of

re P1000 R/113/211 Pk

Dear Sir,
I am writing to
strongly object to the
proposed building in the street.
The new road would create
the small approach road to
the flats which are difficult
now with parked cars on
both sides with very little
manoeuvring
There flats are for
retired people with many

elderly visitors, would mean
delivering vans, and such as can
and then concern in that how
close the taller building
would be to overlook the
flats here.

To add to the traffic here,
possibly with children, would
be, in my opinion, very
dangerous.

I hope these points
will be considered,

Yours faithfully,
