Dear Planning,

I have reviewed the above application reference, and I can advise that Environmental Health has no adverse comments about the proposed scheme subject to the following consideration.

Asbestos

As the proposed development is being rebuilt following demolition of existing property, the Council need to be satisfied that if any asbestos previously identified is still present, it is either removed or suitably managed to minimise risk to human health as there is no safe threshold for asbestos exposure. A copy of the asbestos register, and any remedial strategy (where appropriate), must be provided in writing to the Local Planning Authority prior to any works commencing.

Reason: To protect the amenity of local residents in accordance with Policy QE DM4 of the Adopted Arun Local Plan 2011 – 2031

Construction hours

No demolition/construction activities shall take place other than from 08:00 hours until 18:00 hours (Monday to Friday) and from 08:00 hours until 13:00 hours (Saturday) with no noisy work on Sunday or Bank/Public Holidays.

[In addition to these hours of working, the Local Planning Authority may approve in writing a schedule of activities where it is necessary to conduct works outside the hours specified in this condition]

Reason: To protect the amenity of local residents in accordance with Policy QE SP1 of The Adopted Arun Plan 2011 – 2031

Regards
