7th June 2018

Dear David Johnson

Development:

The Horse Chestnut tree in the common grounds of Elm Farm Cottages (TPO number T6) is now in need of pruning. It has not been pruned since we moved here over 10 years ago. It is both out of shape and also hanging over both the public path on the boundary of the property and the road beyond. Our tree surgeon recommends that there is a crown lift east side of 5m to clear highway and 4m west to clear garden and keep tree balanced and in addition to this a crown reduction to reduce by 1.5m all sides and top to keep the tree balanced and attractive.

Location:

8- Elm Farm Cottages Old Manor Road Rustington
