I am in receipt of your letter regarding neighbour information and there was no place to record on the portal and I cannot find anything on the Arun website. However the neighbours are:

1, 2, 3, 4, 12, 13, 14, 16, 17 Drewetts Close

4, 5, 6, 7 Hamilton Close

Network Rail – consulted for the 4m approved planning submission.

Hopefully you are able to register the application based on the above. Should this not be the case please issue me the form directly.

Many thanks in anticipation

Paul Bond
