Dear Sirs,

Ref. No. R/12/15/CLP

Loft Conversion - 31 Andrew Close

This new proposal for the above bungalow.
The issues for us are three fold

1. This will have an adverse effect upon the privacy of our bungalow from the roof windows to the north elevations.
2. The box type construction on the first floor will block a good amount of light into our kitchen for most of the day.
3. Please note our concerns about converting bungalows to Shaley type bungalows, it will reduce the bungalow stock for people to retire to in the future.

yours Sincerely,

G. A. Bayco (Mrs)

c.c. Mrs. Carole Ward
Clerk of the Council.
