R/124/26/DOC

Address: Rustington Convalescent Home Sea Road Rustington BN16 2LZ

Proposal: Approval of details reserved by condition under R/73/26/L relating to condition 10 - Wall Tie Method Statement.

Comments: The submitted details satisfactorily demonstrate the methodology for the replacement of the wall ties, including the proposed installation method, hole diameter, justification for the fixing approach, indicative tie locations and the measures proposed to minimise and conceal resulting drill holes.

Whilst the final locations of the wall ties remain subject to site investigation and confirmation on site, sufficient information has been provided to understand the nature and extent of the works, together with their potential impact on the historic fabric of the listed building.

The details are therefore considered sufficient to discharge Condition 10.
