Hi Simon,

Currently there is insufficient information for me to make any final comments on this application. I would be grateful if you would ask the applicant to supply the following information:

1. Please supply any details regarding the any changes to the kitchen. This includes any information regarding food preparation and any ventilation units.
2. Please supply details of outside play. Please specify where the children play, and how many children play outside at any one time, and for how long.
3. It would also be useful to know how many children currently attend the nursery, and how many it is intended will be able to attend once the extension has been completed.

Regards

Fiona Fitzgerald
