3 Description of Development

Crown reduction to 1No Ilex (Holm Oak) tree by 3 metres.

4 In pursuance of their powers under this Act and these Regulations the Council **REFUSE** consent for the operations described in the application and plan for the reasons stated.

- 1 The crown reduction by 3m to 1No. Holm Oak is considered to be excessive as it will leave a trunk devoid of any foliage which will adversely affect its visual amenity value and does not meet the test of sound arboricultural practice since it significantly exceeds the recommendations of BS3998: 2010 and therefore conflicts with this legislation and on-line Planning Policy Guidance ID 36-007-20140306.
