Good Morning Stuart Corbey,

Hope you had a restful holiday, I tried to send this in last week but it bounced back then sent it onto Juan Baeza and it bounced back.

Sorry we didn't catch you before your break but I was waiting on the client to come back and confirm that they were happy with all the amendments.

This I hope is the plan that will be passed and the client can move on with the project.

If for any reason there are any other problems please don't hesitate to let me know.

Kindest Regards

Sharon Peacock
