Dear Zac,

I write to inform you that I have discussed the application with Adam King of The Spires, to clarify the proposals and confirm my client's intentions.

I can confirm that Castle Property Developments will not propose any further application to enlarge or significantly alter the currently proposed garage if an approval were granted. Adam has kindly explained that with this confirmation he is happy to withdraw his objection, although we are both unsure how this works procedurally within the application. Please could you confirm.

Kind regards

David
