

Re: Planning Application
from 'DeneWood'
Woodlands AVE. Rustington
REF: NO: R/130/131

A completely self contained
venue at the bottom of a
garden rear of the property
as a Holiday let seems
definitely inappropriate, and
unfair to Residents whose
gardens are the other side of
the passageway with noise,
pets allowed maybe, ECT.
My Daughter's garden is
directly opposite to the
back of the Holiday unit.

What about Council Tax?
It does make one wonder!
No offence, but I strongly
object to the plans.
