

finished work - west elevation

Street view photo which shows that members of public will not be impeded of access on footpath denied as repointing is carried out on west elevation shown in picture.

John Maitland

Right hand side of door area we would like to repoint.

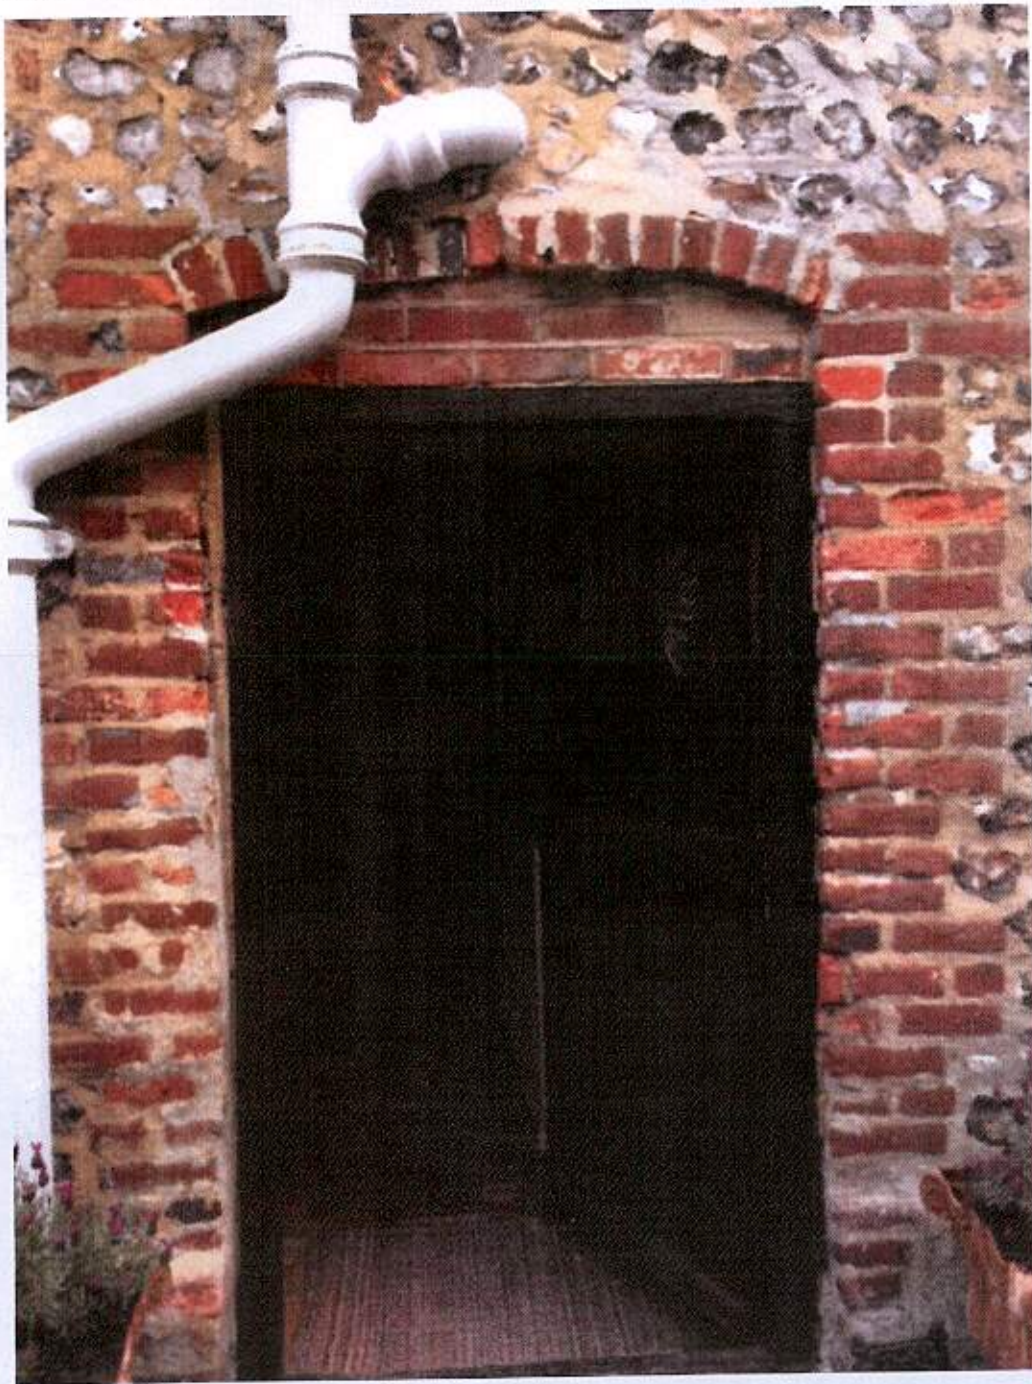

John Maitland

John Maitland

Area directly above and sides of door frame we would like to make good and repoint.

John Maitland

Further close up of west elevation we would like to re place.

John Maitland

Close up of area on west elevation which we would like to replace.
