Dear David,

Many thanks for making the contact and Clare called this morning and we had a long conversation regarding the above site and we are arranging to meet with ourselves and Neil Holland hopefully next Tuesday or Wednesday next week to see if there is a way forward and it would be useful if you could be in attendance?

We have agreed the site is not completely undevelopable and there are issues which may have to be addressed.

As agreed at our previous meeting we all felt the design was of a high standard and the main building was not compromised. To that end while we are not willing to keep submit differing schemes, and Clare understood this, there may be possibilities which we can address after discussion.

So we can continue dialogue and use our joint best endeavours to achieve a suitable scheme, we agree the extension until the 17th November to see if there is a way forward avoiding appeal, which we will recommend to our clients in the event of a refusal.
