Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

1 No. end of terrace two storey dwelling
8 Duncton Road Rustington

Thank you for your internet representation made on 22nd July 2018 which has been recorded as '**an objection**' with the comments as follows:

Estate already full to overflowing. Lack of parking means cars are parked on pavements and grass verges. Emergency vehicles, refuse collection vehicles and delivery lorries have experienced difficulty in getting through.

Present owner has several cars abandoned on the grass verge and garden. Land overgrown and poorly kept.

Ongoing building works for the past 3 to 4 years with constant drilling and banging with noise vibrating through two houses. Building works still not near completion.

The sewerage and drainage system feeding the 4 terraced houses was poorly constructed from the beginning. This has resulted in blockages and sewerage / water not running away properly. The system is not large enough to cope with another dwelling and could cause serious problems in the future.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
