Dear Ms Moore

Many thanks for your email. I left a call for you earlier today.

Just to clarify, the height is 15 meters and spread of the crown is 20 - 25 meters, so the works would take 0.5 to 1.5 meters, reducing the crown to between approximately 18.5 - 24.5 meters.

If you need any further information please do not hesitate to contact me.

Kind regards,

Lloyd Junor.
